Guido Martinelli

(Università di Roma La Sapienza & Accademia Nazionale dei Lincei)

Weak Interactions: from the Fermi Hamiltonian to Physics beyond the Standard Model

Sala Galilei, Edificio C, Dipartimento di Fisica & INFN

9/04/2024, 15:00 - 17:00
10/04/2024, 10:00 - 12:00
11/04/2024, 15:30 - 17:30
23/04/2024, 15:00 - 17:00
24/04/2024, 10:00 - 12:00

This activity is performed in the framework of the project '*Nano-Meta-Materials and Devices: New Frontier Concepts for Particle and Radiation Detection*, (Grant '**Dipartimento di Eccellenza, 2023-2027 from the Italian Ministry of University**, CUP I57G22000720004) at the Department of Physics of the University of Pisa
